Committee Reports

Website

The website is working. Nathan asked to have the GIS Strategic Planning Regional Workshops added to the calendar and also to add a link to the GIS Strategic Planning Survey. Eric is still looking for ideas for how to set up the Forum page.

Scholarship

No applications have come in yet. Nathan has talked to Jim Merchant at UNL and plans to send emails out to others about the program.

Education

Nathan has changed jobs from Southeast Community College to State of Nebraska Office of CIO as the new GIS Administrative Manager. Nathan asked if he should step down as chair of the Education Committee. Consensus was that he should remain as chair of the committee. There was discussion about the GIS Strategic Planning survey and upcoming regional workshops.

User Groups

Southeast Users Group - Lincoln/Omaha ArcUser Group (LOAG) meetings scheduled for February 8, 2012. There will be local government presentations and ESRI presentations on Local Government templates and What's coming up in ArcGIS 10.1. The meeting in Lincoln will be from 8am-11am at the City of Lincoln Municipal Services Center. The meeting in Omaha will be from 1pm-4pm at the La Vista Fire Station #2.

Northeast Users Group - Mike Murphy reported that the GIS Day event on November 16, 2011 with the Assessors on Certification and Variances went well. There were 28 people that attended the session. Mike also reported that the GIS Day event Nov 15-16, 2011 for youth was very well received and had over 500 participants.

Nebraska GIS Council

Election of Officers - The Chair for the GIS Council is Jim Ohmberger and the Vice Chair is Mike Preston. There are open chairs on the GIS Council to fill. Mike Preston currently represents the NE GIS/LIS Association. Nathan stated that they are looking at ways to open up the meetings through video and audio conferencing, so that those further away can participate more easily. The council will be reviewing the existing working groups and evaluating their status.

The Council is going through the Strategic Planning process. The online strategic planning survey is out and they have had responses back from more than 100 people. Regional workshops for strategic planning have been scheduled in Omaha (Feb 7), Lincoln (Feb 8), Grand Island (Feb 8), Norfolk (Feb 9), Gering (Feb 21) and North Platte (Feb 22).

Board Elections

The Board is seeking nominations and is planning for the upcoming April elections. Those that have terms expiring need to decide if they will be running again. Seats that are up for election are President Elect, Secretary, Treasurer, and 3 At-Large (currently - Mike Schwab, Mike Murphy and Mike Preston). Eric Kriener will run again for Treasurer and Shaula Ross will run again for Secretary. Eric suggested that Mike Schwab take the nomination for President Elect. All nominations need to be submitted by March 9, 2012. We will be stuffing envelopes for the ballot mailing at the Board meeting scheduled for March 16, 2012.

Other Business

There is a group of County Health GIS Coordinators that have a monthly conference call with each other. It was discussed that we should work on getting this group involved in the GIS/LIS Association. For the May 2012 Annual meeting, we need to have Jim Langtry check with EROS Data Center about scheduling a speaker. If any of the Board members still have a MAGIC awards ballot they would like to turn in, get them to Pat so that he can compile and average them.
